Subject: License for dumping by Dublin Port Authority in Dublin Bay

Dear Sir/Madam,

I strenuously object to the Dublin Port Authorities application for a license to dump spoil onto the Burford Bank from the dredging of the Alexander basin. I object on to this dumping on three grounds.

1. The dump site is in a special area of conservation.
2. The adverse affect that it will have on all marine life in Dublin bay.
3. The adverse affect that it will have on the sport of Scuba Diving in Dublin bay due to the reduced visibility caused by said dumping.

Yours Sincerely,

Stephen Mulhall
