Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

Why would anyone think that sending dredge waste into a bay is alright. We have to speak for the wildlife who has no voice in this matter as well as for the future generations whose environment will irrevocably be affected even before they are born.

Yours sincerely,

Åsa Olsson
