I grew up on Sydney Parade Avenue in the seventies, at that time Sandymount Strand was unuseable due to pollution. As kids we were amazed to see a postcard (from the sixties) showing the beach full of sunbathers and swimmers and were saddened that didn't have that option. It is a lovely amenity again now, so write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

Yours sincerely,
