Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

The redistribution of such a vast amount of sediment and dredge waste could have potentially disastrous effect of the epifauna of the bay and could negatively impact on the protected wildlife species the bay is famous for.

Yours sincerely,

Anna Krauz
