I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

With this excessive amount of dredging we do not know what effects that it will have on our world Famous Dublin bay prawns and also the silting up of Dollymount and Sutton strands.
Is Sutton Sailing club going to be a thing of the pass etc etc

Yours sincerely,

Dermot Skehan
