Dear Ms Leacy

I accessed the Industrial Emissions Licence application form on the EPA Website yesterday. After downloading the Site Location Map, I carried out my own search of the planning application record maps and discovered that 3 no. planning applications were made on Mr Ryan's lands at Nantinan, Milltown as follows:

- (1) Planning Register No 9897 – Planning permission granted to Maine Valley Co-op Society to erect a pig fattening unit.
- (2) Planning Register No 75/834 - Planning permission granted to Maine Valley Co-op Society to extend a pig fattening unit.
- (3) Planning Register No 79/1246 – Planning permission granted to Maine Valley Co-op Ltd to erect 10 no. hospital units and 50 no. units.

Kerry County Council will be writing to Montgomery EHS, agent for Mr Ryan, advising them of the planning history details.

Kind Regards,
 Michael Lynch, SEE Planning
