Subject: Dublin Port Company for a Dumping at Sea Permit (S0024-01)

Dear Sir/Madam

We wish to raise our concerns about the proposed Dumping in Dublin Bay.

The constant threat to the unique environment in Dublin Bay, and it's protected status provided by the EU seems to come under constant threat from commercial sources.

We have been in contact with our various groups, SOS, Dublin Bay Watch, Birdwatch Ireland to express our concerns.

They also seem to be of one mind in this regard, and we understand that they have formally notified you of their objections.

Please desist from continuing to make proposals that effect the environment.

Yours sincerely

Sile Clancy and the O'Malley family
