Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. I help as a Birdwatch Ireland volunteer in Kerry. We see damage to habitats all the time. There are plans to dredge dingle harbour. I know Dublin Bay is important for wintering wildfowl and waders. That tern colonies and other seabirds rely on these waters.

Please ensure that this waste is not going to do any damage

Yours sincerely,

Jill Crosher
