Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

There is no safe way of doing it and the effects of so much waste being dumped into Dublin Bay will destroy not only the area it is dumped but all along the coast and all the marine life.

Yours sincerely,

Barry Quinlan
