Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay.

I have really strong concerns of how this will impact the local wildlife's habitat, I believe it will completely destroy the local eco system and the plan will only have a negative impact on the area.

Yours sincerely,

Paul Hannigan
