Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. I believe that dumping this amount of waste so close to precious natural resources is not necessary. I am sure that a better solution can be found and really hope that you do not issue this licence to Dublin Port.

Yours sincerely,

Siobhan Donoghue
