Subject: Submission Re: DAS application by Dublin Port Company

Licensing | Environmental Protection Agency licensing@epa.ie

I write to you to express my concern and opposition at the recent proposal of Dublin Port to undertake a dredging project that will see 9.7 million tonnes of dredge waste into Dublin Bay. This is Ireland's only designated biosphere. It will have a significant impact on wildlife. It is crucial that this area is protected from potential harm caused by dumping this amount of dredge waste. Hopefully this will be stopped.

Yours sincerely,

eithne byrne
