Subject: RE: S0026-01 Dumping at Sea Permit Application from Aughinish Alumina Ltd

Hi Grainne

Thank you for sending the plough dredging application

I have some immediate questions:

1. Why is proposed decision issued date not applicable?
2. There are v few sediment samples supplied by the applicant – only 2 with both sediment and biota. Is there an inventory of other sample analyses from that area from say the EPA who are monitoring the plant? Could we see relevant other sampling by EPA, Marine Institute or anyone else?

V best Karin

Subject: S0026-01 Dumping at Sea Permit Application from Aughinish Alumina Ltd

Good afternoon,

I am writing to advise that Aughinish Alumina Limited has applied to the Agency on 1st March 2016 for a permit in respect of Aughinish, Co Limerick. The request and associated documentation can be accessed on our website at the following link:

<http://www.epa.ie/terminalfour/DaS/DaS-view.jsp?regno=S0026-01#.VuARYk1WKUK>

The Agency will have regard to any submission/observation you wish to make in relation to this permit application. Submissions/observations can be sent to the undersigned in writing or by email.

You can also set up an RSS Feed to this application; you will then be notified by email alert every time new information is uploaded to this application on our website.

Regards

Grainne Power.
