To Whom it may Concern,
I wish to strongly object to the granting of planning permission to Dunbia Slane Reference LB140803 on behalf of my husband LEO DUNNE and myself Marie Dunne.

We are submitting the aforementioned objection because we both feel that if such an application were to be granted it would greatly increase the volume of traffic and noise pollution in our area.

Furthermore we are both very concerned that if such an application were to be granted to said Company, there could be further longer term implications.

At present there is a constant 24 hour volume of traffic, which can be clearly heard day and night by myself and my husband in our home. Indeed at times our windows shake because of the speed and the weight of the trucks which are transporting numerous large amounts of cattle to be slaughtered, day and night.

Please do not hesitate to contact me if you wish to discuss any of the objections.

raised on behalf of my husband Leo and I.

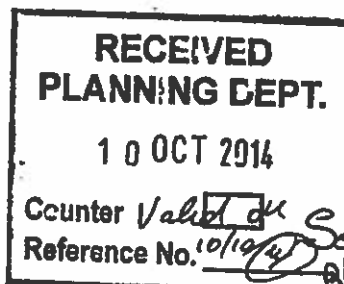

Thanking you in anticipation.

Yours sincerely,

Marie and Leo Dunne.
