Planning App. Ref. No.	LB/140803.
Applicant	Dunbia.
Development	Proposed development for a new livestock slaughtering facility and all associated site works at Painstown, Co. Meath.

Please note the following regarding the above Planning Application:-

- 1.) A Fire Safety Certificate application is required under Part III of the Building Control Regulations for each individual building and/ or elements within the proposed development.

Note: Fire safety issues with regard to the design, layout and construction of the proposed buildings, as well as all proposed active & passive fire protection systems will be examined in more detail by the Fire Officer at the Fire Safety Certification stage.

Eanna Ó Conghaile.
Assistant Chief Fire Officer.
