To Whom It May Concern.

I Thomas Concannon, would like to object to the proposed development at Dunkia Slane Windmill Road Beauparc Navan Co Meath. I live directly across the road from the factory, and have to put up with the constant noise Day + NIGHT!

On occasions we have to close our windows with the smoke coming from the factory.

Trucks travel in + out at all hours of the night. The noise of cattle being unloaded in the middle of the

right is unbelievable.

Another worry is that I have a well supplying my water and how that would be affected, when they are spreading blood or God knows what else on the land straight across from me. I also the ponds that are in the same field.

This factory has grown year on year getting planning permission without locals knowing. In my opinion it should be stopped now. I would finally like to object because the Windmill Road itself is destroyed with potholes from heavy trucks travelling on a road that was designed for cars
