Importance: High

Hi Noeleen, comments as follows:

Planning reference LB 140803 and PL 17.244473 permits the following development:

'Development comprising the following: (i) intensification of livestock slaughtering activities at the existing meat plant, (ii) demolition and removal of existing offices as required under condition number 3 of planning permission planning register reference number SA/140210, (iii) construction of 210 square metres of new offices, staff welfare and storage facilities at the location of the demountable structure referred to in (ii) above, (iv) change of use of an existing farmhouse from residential use to office use (153 square metres); (v) construction of 112 square metres of additional lairage facilities, (vi) construction of a 18 square metre green offal processing room abutting the main factory building; (vii) construction of an external gantry to support a stomach press (20 square metres); (viii) construction of a 4 square metre pump house and (ix) addition of five number new ancillary car parking spaces, all at Painestown, Beauparc, Navan, County Meath.'

Condition 3 states as follows:

'The daily kill rate shall not exceed 350 cattle per day in accordance with the documentation submitted to the planning authority on the 10th day of September, 2014.'

Reason: In the interest of clarity.

As previously advised, all docs including appeal information are available on www.meath.ie/ www.eplanning.ie/MeathCC

Please revert back to me if you need any further information.

Regards wendyb
