Re: Submission from Municipal District of Donegal (EPA Reg No. S0028-01 refers) Silt Extension of Quay – Smooth Point – Killybegs Fishery Harbour Centre – Dumping at Sea Acts 1996 to 2010

A Chara,

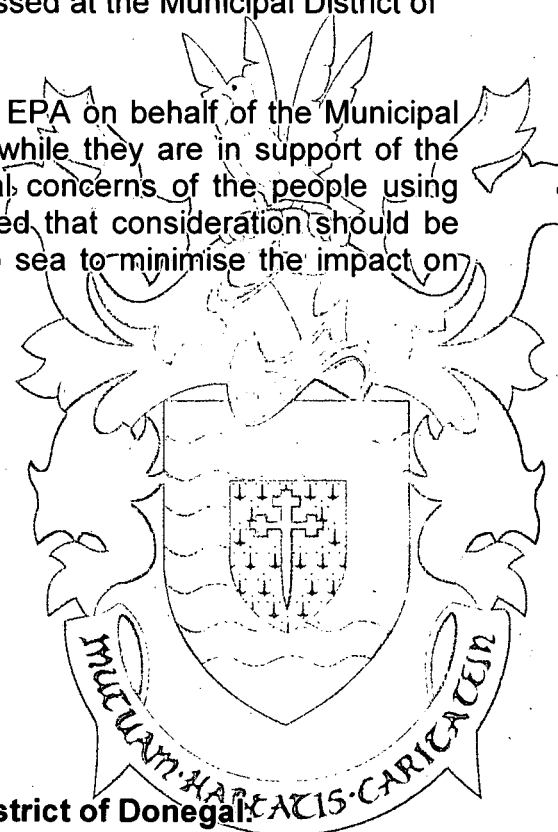

The above application for a license was discussed at the Municipal District of Donegal meeting of the 10th January 2017.

Members requested that a letter issue to the EPA on behalf of the Municipal District of Donegal which would outline that while they are in support of the project, they wish to voice the environmental concerns of the people using Donegal Bay. In addition they recommended that consideration should be given to dumping the materials further out to sea to minimise the impact on the Bay.

I trust that this is satisfactory.

Mise le meas,
