Dear Sir/Madam,

Re: North Cork Co-op Creameries - EPA application
Registration No: P1051-01

We act for Kanturk and District Trout Anglers, Kanturk, Co Cork.

We note the aforementioned application.

We have ongoing concern in relation to the behavior of the applicant in respect of run-off discharge to the local river.

We urge close scrutiny of the assumptions made in the application and hope and trust that the safe and sustainable discharge of effluent is prioritised in the adjudication of the application.

Please contact the undersigned with any queries that you may have.

Yours sincerely,

pp Brina O'Connor
