Consultation under Section 80 of the EPA Act 1992 as amended

Dear Sir/Madam

I refer to licence review application Registration number: P0690-03, in respect of C & F Automotive Limited T/A Iralco, for a facility located at Collinstown, Mullingar, County Westmeath.

The Agency decided that an Environmental Impact Assessment (EIA) is required in relation to the activity concerned, and on the 10 May 2017 the applicant submitted an Environmental Impact Statement (EIS) to the Agency.

A copy of the application, the EIS submitted by the applicant and associated correspondence are available for inspection on the Agency's website www.epa.ie.

In accordance with Section 80 of the EPA Act 1992 as amended, you are requested to furnish to the Agency any observations your authority has in relation to the licence application, including the EIS within **4 weeks of the date of this notice**.

Where it is intended to submit additional documentation with your observations, it would be much appreciated if you could include an electronic copy of all documents in pdf format on a CD ROM in order to facilitate the publishing of your observations and attachments to the Agency's website.

All further information received on this licence application will be made available on the Agency's website.

The application is being processed by the Agency and your observations, if any, will be considered as part of the licence application assessment process. You will be notified of the proposed determination in due course.

Yours sincerely,

Gráinne Oglesby
Programme Officer
Environmental Licensing Programme
Office of Environmental Sustainability
