Re: Application to the EPA for a waste licence (Mallinckrodt Pharmaceuticals Ireland) P1060-01

Dear Noleen

With regard to an email submitted to Blanchardstown Planning on the 4th October 2017, an Environmental Impact Statement (EIS) was submitted as part of planning application Reg. Ref. FW15A/0038:

This related to full planning permission for development at College Business and Technology Park, Cruiserath Road, Blanchardstown, Dublin 15 and comprised:

Permission for the construction of a 3-storey Administration Building with roof top plant room (2,045 m², max height 17.26 m); a single storey Security Building; a 2-storey with mezzanine Manufacturing Building (4,613 m², max height 18.62m) and ancillary external utility area (2,095 m²) including Plant Building with integrated ESB Substation, sprinkler tank and Pump House, pipe racks and ancillary process equipment and storage; and associated site works including underground firewater storage tank, internal road and paving network, 91 no. car parking spaces, 20 no. bicycle parking spaces, waste compounds, boundary treatments, gates, landscaping, external lighting, site signage and 3 no. site entrances off Cruiserath Road all on an application site circa 5.03 hectares. Permission is also sought for construction of a temporary Administration Compound comprising 3 no. single-storey office modular buildings and waste compound. An Environmental Impact Assessment (EIS) will be submitted as part of the application. An application will also be made to the Environmental Protection Agency for a license under the Industrial Emissions Directive.

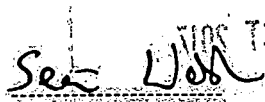

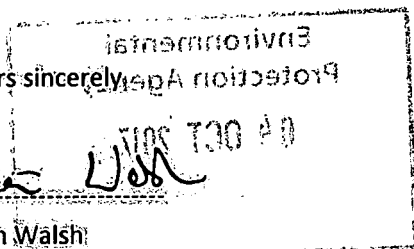

Documents with respect to this development can be viewed at:
