# HSE SUBMISSION REPORT

## Environmental Health Service Consultation Report

*(as a Statutory Consultee (Planning and Development Acts 2000,  
& Regs made thereunder).*

**Type of consultation:** Waste Water Discharge Licence Application

**Reference Number:** D0544-01

**EHIS Ref:** 0672

**Applicant:** Irish Water in relation to Grenagh Waste Water Treatment Plant

Dear Sir/Madam,

- The report is based on an assessment of documentation submitted to this office on the 25th of September 2017 by the EPA.
- All commitments to future actions and further testing have been taken as read and all data results have been accepted as accurate.
- No additional investigations / measurements were undertaken.
- This report refers only to those sections of the documents which are relevant to the HSE.

### Observations/Recommendations

Proposed impacts which have potential public health and environmental implications have been assessed and examined in the context of the application.

This Department has no adverse comments on this application once the proposed control and monitoring measures as outlined in the application are put in place and implemented in full.

All correspondence or any queries with regard to this report including acknowledgement of this report should be forwarded to Kathleen Clifford, Principal Environmental Health Officer, North Lee Environmental Health Dept, HSE South, Floor 2, Block 1, St Finbarrs Hospital, Cork.

Yours Sincerely,

Shane O'Flynn  
Environmental Health Officer
