Re: Environmental License

**Proposed Development :** Application for the Recovery and disposal of non hazardous waste with a capacity exceeding 75 tonnes/day involving one or more of the following activities: treatment in shredders of metal waste, including waste electrical and electronic equipment and end of life vehicles and their components

**Reference No:** EPA P1076-01

**EHIS Ref no:** 0765

**Applicant:** KMK Metals Recycling Ltd.

Daingean Rd

Tullamore

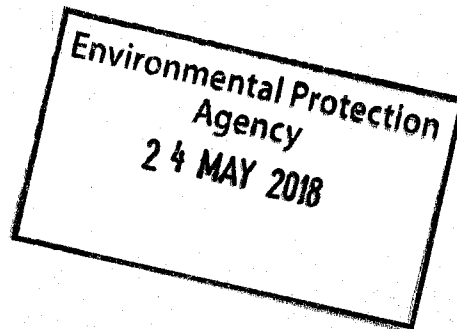

Co.Offaly

**Submitted:** 03/05/2018

Dear Sir/Madam,

Please find enclosed the HSE Consultation report in relation to the above licence.

If you any queries regarding this report, the initial contact is Paul McGuinness, PEHO, Unit 7c, Lough Sheever Corporate Park, Robinstown, Mullingar, Co. Westmeath, who will refer your query to the appropriate person.

For inspection purposes only.  
Consent of copyright owner required for any other use.

The following HSE departments were made aware of the consultation request for the proposed development on 3<sup>rd</sup> May 2018.

- Emergency Planning – Brendan Lawlor
- Estates – Jim Murphy
- Assistant National Director for Health Protector – Kevin Kelliher/Marie Woods
- CHO – Pat Bennett

### **Environmental Health Report**

The Environmental Health service response to the proposal is in the attached consultation report.

The assessment is based on an assessment of documentation submitted to this office on 3<sup>rd</sup> May 2018. All commitments to future actions including mitigation and further testing have been taken as read and all data results have been accepted as accurate. No additional investigations or measurements were undertaken. This report refers only to those sections of the documents which are relevant to the HSE.

All correspondence or any queries with regard to this report including acknowledgement of this report should be forwarded to Paul McGuinness, PEHO, Unit 7C, Lough Sheever Corporate Park, Robinstown, Mullingar, Co. Westmeath.

Yours Sincerely

  
Paul McGuinness

Principal Environmental Health Officer

## HSE EIS SUBMISSION REPORT

### Environmental Health Service Consultation Report

*(as a Statutory Consultee under the Planning and Development Acts 2000 (as amended) &  
Regulations made thereunder)*

Report to: Environmental Licensing Programme,  
Office of Environmental Sustainability,  
EPA Headquarters,  
Johnstown House Castle Estate,  
Co. Wexford,  
Y35W821.

Date: 24/05/2018

Type of Consultation: Environmental License

Proposed Development : Application for the Recovery and disposal of non hazardous waste with a capacity exceeding 75 tonnes/day involving one or more of the following activities: treatment in shredders of metal waste, including waste electrical and electronic equipment and end of life vehicles and their components.

Reference No: EPA P1076-01

EHIS Ref no: 0765

Applicant Details: KMK Metals Recycling Ltd.  
Daingean Rd  
Tullamore  
Co.Offaly

This report is based on an assessment of the application for an Environmental License and associated documentation submitted to this office on 3rd May 2018.

All commitments to future actions including mitigation and further testing have been taken as read and all data results have been accepted as accurate. No additional investigations or measurements were undertaken. This report refers only to those sections of the documents which are relevant to the HSE.

Having examined the potential public health and environmental implications of this application I have no issue with the granting of this application once the proposed control and monitoring measures outlined in the application are fully implemented and adhered to.

All correspondence or any queries with regard to this report including acknowledgement of this report should be forwarded to Paul McGuinness, PEHO, Unit 7C, Lough Sheever Corporate Park, Robinstown, Mullingar, Co. Westmeath.

For inspection purposes only.  
Consent of copyright owner required for any other use.
