Foreshore Consent Application on behalf of Dublin Port Company to undertake the redevelopment of Alexandra Basin.

Dear Mr Barry,

I refer to the recent foreshore consent pre-application consultation of 16 January 2014.

I can confirm that this Department has no objection to the making of an application for planning permission in respect of the proposed development.

No works can be undertaken on the foreshore until the appropriate foreshore approval has been obtained.

Yours sincerely,

Bernard Nolan
