Kieran

The Department of Transport, Tourism and Sport are making an application to the EU for funding towards the development of the TEN-T ports in the country. As part of their submission they have requested a letter from the Board to Dublin Port Company setting out the expected date of the decision in relation to the Alexandra Basin Project.

Would it be possible for the Board to issue such a letter in the standard format with the usual caveats? It would be of assistance to both the Department and Dublin Port Company.

Kind Regards

Terry Durney
