A Chara

I refer to correspondence received from the EPA by the Planning Authority on the 24th October 2018 in respect of the following:

Licence Application Reference No: P0861-03

I can confirm that Planning history 14/152 applies and that no Environmental Impact Statement was submitted as part of this planning application.

However, as you point out a second application, 16/529 also applies. An Environmental Impact Statement was submitted as part of this planning application but when following up on your correspondence it was found that this EIAR had not been scanned. We have since rectified this problem and both applications are now available to view at <http://www.eplanning.ie/MonaghanCC/searchtypes>

This permission permits the rearing of 190,000 broilers.

I trust this information to suffice but should you have any further queries please do not hesitate to contact this office.

Yours faithfully,

Joan Ryan
