Name & Address: Dawn Meats Ireland Unlimited Company  
Location of Facility: Carroll's Cross, Kilmacthomas, Waterford  
Class & Nature of the Activity: 7.8(a)(i) production of food or feed from animal raw material  
Planning Permission Ref. Number: 81/551  
Date Planning Permission Granted: 09/07/1981

Dear Sir/Madam;

The EPA has requested the Planning Authority to respond to the following matters in relation to the above facility;

- 1) State whether the activity to which the licence application relates is permitted by the grant of permission referred to above.

**Response:** From the planning history records at this site, the earliest planning permission noted on this site relates to Planning Ref. 81/578 with the applicant, Dawn Meats Ltd, being granted permission for a cold store and blast freezing facility. It is also noted that under Planning Ref. 80/551 Queally Meats were granted planning permission for a Meat Processing Plant. This grant of permission date was 09/07/1981 that corresponds with the permission grant date noted in the EPA correspondence letter which appears to be mislabelled as Planning Ref. 81/551.

- 2) Furnish all documents relating to the EIA carried out by your authority in respect of the development to which the grant of permission refers. Alternatively, where such EIA documents are available to view on your website, please provide the Agency with a list of the names of those documents and provide a link to their location on your website.

**Response:** The planning history for the above site does not include an application that was subject to an EIA assessment at the time of the planning decision.

- 3) Provide any observations your authority has in relation to the licence application.

**Response:** No further observations to make on this EPA licence application at this time.

Yours faithfully,

P. Kelly,  
Administrative Officer,  
Planning Dept.
