Applicant: Staunton Foods Limited
Location of Facility: Spital Cross, Timoleague, Bandon, Cork, P72 PY90
EPA Ref. No: P0947-02
EHIS Ref: 0936

Dear Office of Environmental Sustainability,

Please find enclosed the HSE consultation reports from both the Emergency Planning Department and from Environmental Health in relation to the above licence.

If you have any queries regarding this report, the initial contact is Ms Ger Faughnan, Principal Environmental Health Officer who will refer your query to the appropriate person.

The following HSE Departments were made aware of the consultation request for the proposed development on the 1/5/19.

- Emergency Planning – David O’Sullivan
- Estates – Helen Maher
- Assistant National Director for Health Protection – Kevin Kelleher / Laura Murphy
- CHO –Ger Reaney

All correspondence or any queries with regard to this report including acknowledgement of this report should be forwarded to Ms. Ger Faughnan, Principal Environmental Health Officer, Environmental Health Dept, HSE South, Lurriga, Skibbereen, Co, Cork.

Yours Sincerely,

Ms Ger Faughnan
Principal Environmental Health Officer

HSE SUBMISSION REPORT

Environmental Health Service Consultation Report

(as a Statutory Consultee (Planning and Development Acts 2000,

& Regs made thereunder).

Type of consultation: Industrial Emissions Licence Application

Reference Number: P0947-02

EHIS Ref: 0936

Applicant: Staunton Foods Limited, Spittle Cross, Timoleague, Co. Cork

Dear Sir/Madam,

- The Environmental Health report is based on an assessment of documentation submitted to this office on the 1/5/19 by the EPA.
- All commitments to future actions and further testing have been taken as read and all data results have been accepted as accurate.
- No additional investigations / measurements were undertaken.
- This report refers only to those sections of the documents which are relevant to the HSE.

Observations/Recommendations

Noise, Air and Water impacts of the proposed application have been assessed and examined by the Environmental Health Service.

This Department has no adverse comments on this application once the proposed control and monitoring measures as outlined in the application are put in place and implemented in full.

All correspondence or any queries with regard to this report including acknowledgement of this report should be forwarded to Ms. Ger Faughnan, Principal Environmental Health Officer, Environmental Health Dept, HSE South, Lurriga, Skibbereen, Co, Cork.

Yours Sincerely,

Caroline Ludlow
Environmental Health Officer

EM Reference Number	EMENV 012		
Applicant	Staunton Foods Limited, Spittle Cross, Timoleague, Co. Cork.		
Proposal	The operation of slaughterhouses with a carcass production capacity greater than 50 tonnes per day.		

HSE South Emergency Management Observations:

Please be advised that the HSE South Emergency Management function does not have any specific observations to make with respect to this application. However, please note the following recommendations within the context of site operations:

1. Should an incident occur at the site and the site operator requires the assistance of the emergency services, the incident information should be provided in the 'ETHANE' format (please see attached).
2. Emergency Services access to the site should be clearly identified. This should be undertaken via appropriate high visibility signage, i.e.; a green sign with a yellow border and white lettering citing the abbreviation RVP
3. The site should have a mechanism in place to account for personnel during an evacuation in order to provide the responding emergency services with an estimate of the number of people accounted and unaccounted for.
4. The site should identify any critical / vulnerable facilities within the geographical catchment area, such as hospitals, schools, nursing homes, etc, that could be directly or indirectly affected by an incident at the site.

5. Where the 'off-site' impacts of an incident at the site affects a vulnerable cohort / population such as children within crèches, schools; patients / clients / residents within nursing homes, etc; the emergency services will require assistance from the site operator in determining the impact on the local community.
6. The site operator is encouraged to develop a business continuity plan that includes a plan for severe weather. For more advice on this, please see the Department of Business, Enterprise and Innovation, *Business Continuity Planning in Severe Weather*. <https://dbei.gov.ie/en/Publications/Publication-files/Business-Continuity-Planning-in-Severe-Weather-Check-List-for-Businesses.pdf>

All correspondence or any queries with regard to this report should be forwarded to Ms. Maryanne Horgan, Emergency Management Office, HSE South, Eye, Ear and Throat Hospital, Western Road, Cork, T12 WP62 or maryanne.horgan@hse.ie
