Eve thank you. I will get back with more info after reading the documentation. - we have found a seagrass bed just outside the harbour and as you know there are rare skates in that area.

When is our next DAS meeting ?

Good afternoon

Re: Reg No S0007-03 Dumping at Sea Permit Application from Kerry County Council

I am writing to advise that Kerry County Council has applied to the Agency on 13 June 2019 for a permit in respect of Fenit Harbour. The request and associated documentation can be accessed on our website at the following link tomorrow: <http://www.epa.ie/terminalfour/DaS/index.jsp>

The Agency will have regard to any submission/observation you wish to make in relation to this permit application. Submissions/observations can be sent to the undersigned in writing or by email.

You can also set up an RSS Feed to this application; you will then be notified by email alert every time new information is uploaded to this application on our website.
