Sorry Ciara, that sent prematurely! They can both go in, but the 1981 regulations should still be mentioned.

Regards,

Connie

Hi Connie,

I note that in your comments on the Kilmore Quay Dumping at Sea permit application (Reg. No. S0030-01), you refer to the -  
Health and Safety Authority's Safety in Industry (Diving Operations) Regulations 1981 (S.I. No. 422).

Should the following Regulations now apply? S.I. No. 254/2018 - Safety, Health and Welfare at Work (Diving) Regulations 2018?

Hi Ciara,

Please see attached our requirements in regard to loading of material for the proposed dredging and dumping operations at Kilmore Quay in Co. Wexford.

If you wish use to engage with the applicant in advance to discuss any previous archaeological monitoring that may or may not have taken place, we are happy to do so to ensure progress in this regards.

Best regards,

Connie
