**Subject:** Dairygold Pollution of East Ferry and the East Cork Coastline

Dear Madam / Sir,

I am a resident of East Cork living in the coastal village of Guileen.

I, and the residents of this village, strongly object to the decisions by Cork Co. Co. and An Bord  
Planeala to grant permission to pollute our Harbour.

I sincerely expect that the EPA will do it's job in refusing a licence for this outrageous decision  
and, protect our harbour, environment and sea life.

The area from Power Head to East Ferry and around the Harbour to Cobh on the opposite side of  
the Harbour is used all year round by various swimming groups.

Every Christmas a Simon Community swim takes place in White Bay which is close to East Ferry  
and raises vital funds.

If a license is granted it will mean the end of charity swims which take place all year round in the  
harbour area.

These will not go ahead if you grant a licence for this polluting pipeline.

I trust you will listen to the overwhelming feelings of the locals, with particular reference to the  
damming EIS report which the Cork Co.Co. and Bord Plan. chose to ignore.

Yours Sincerely

Paddy O'Leary

Local Resident and ( currently ) All Year Round Sea Swimmer
