Dear Sir/Madam

I wish to make a submission/objection to licence p519-04 and any other licences operated by Gyproc saint gobain construction/mining ireland or any of its associated companies.

1 Blasting This is a major inconvenience to me and my family as the levels has got very bad and need to be greatly reduced.

2 Noise disturbs and its a massive inconvenience to me and my family and needs to be greatly reduced

3 Water Discharge no increase should be allowed due to the impact it will have on water quality inthe river.

4 Dust Is bad for the trees environment and properties of the community also the blast fumes is bad for the people environment and community.

5 All monitoring should be done by external body with no affiliation to the company being monitored.

Note

Blasting and noise has distressed my family and is a major inconvenience to us . it has already caused damage to the community and the environment as can be seen .We feel ourselves and environment is not been protected.

Kind Regards

Ann Farnan
