Dear Ms. Siobhan Egan

Your case number 59268 dated 16/04/2020 has been examined by the Planning Applications Processing Team in the Planning Department and the outcome is:

John O' Hara, Executive Planner, Kildare County Council has sent a copy of the EIA in relation to the Inert Soil Waste Recovery Facility at Halverstown, as permitted under planning ref 18/453.

Set out below is the planning history for the site.

The relevant planning history associated with the subject site is as follows:

15/189: Application by Kilsaran Concrete for planning permission for an inert soil and stone / construction and demolition waste recovery facility. Permission was granted by Kildare County Council on 06/09/2016. This permission authorised the importation and recovery of inert soil and stone waste, comprising of 20,000-25,000 tonnes per annum for a period of 4-5 years, to partially restore the former extraction and silt settlement lagoon in the southern part of the Kilsaran landholding at Halverstown only and does not authorise a waste recycling facility. This restoration will require an intake of 20,000-25,000 tonnes of soil and stones per year for a period of 4-5 years.

02/850: Application by Kilsaran Concrete Ltd. for permission for sand and gravel development and associated processing on 32.4ha. The Planning Authority issued a notification of its decision to grant permission for the proposed development on 11/06/2003 which was subsequently upheld by An Bord Pleanála on 28/11/2003 (under ABP Ref. PL09203493) following third party appeals.

06/651: Permission granted for the extraction of sand and gravel with processing that includes crushing, washing (with associated silt disposal lagoons) and screening and all ancillary works and structures on a total site measuring 37.0 hectares. The application was accompanied by an EIS. (An Bord Pleanála Ref. 223574).

04/1109: Permission granted to Kilsaran Ltd for Readymix plant at existing operation & for 32 hectares extension to existing sand & gravel operation. This application is accompanied by an EIS. This application was refused by Kildare Co. Co. and subsequently granted by An Bord Pleanála.
