## PETER SWEETMAN

### EPA Wexford

Re Intensive Agriculture applications.

It is our submission and that of Wild Ireland Defense that it is not possible to perform an Appropriate Assessment Screening to the standard required by Finlay J in Kelly -v- An Bord Pleanála [2014] IEHC 400 (25 July 2014). Without the full information as to the method and place of disposal of the waste.

It is our submission that the EPA Acts as interpreted by the EPA are not in compliance with the Environmental Impact Assessment Directive Article 11.
