Eamon Burke, Farrihy, Broadford, Co. Limerick

I can confirm that the applicant was granted planning permission for the following:

The construction of 2 no. poultry houses and all associated site works. The development requires an EPA Industrial Emissions License (formerly Integrated Pollution Prevention and Control License). An Environment Impact Assessment Report (EIAR) has been submitted as part of the planning application

An EIAR was submitted as part of this application.

I have no further comments to make in this respect.

Planning file ref. 17/1159 can be viewed online at limerick.ie.
