Hi Linda, I refer to your email below. I can advise that The River Nanny traverses the site to the south which eventually leads to the River Nanny Estuary and Shore SPA (SiteCode: IE0004158). An EIAR had been submitted with the original permission AA/181504 and the development should therefore be carried out in accordance with conditions and particulars of that permission.

I trust this information is of assistance to you and should you require any clarification in respect of the above then please do not hesitate to contact me on the details below.

Kind Regards,
Gerard Kellett
