Dear Sir/Madam,

I refer to EPA correspondence dated 29 August 2019 relating to an application from Blancomet Recycling IE Limited, Unit 5 Rosemount Park Drive, Rosemount Business Park, Dublin 15 for a waste licence.

Irish Water have assessed the licence application and the subsequent RFI responses, and have found that the applicant has not proposed to discharge trade effluent to sewer. Therefore, there is no requirement to complete the Section 99e consent request.

If you have any further queries, please do not hesitate to contact us.

Yours sincerely,
