**Re: Licence Register No P1023-02 & Current Licence P1023-01**

Applicant: Mr. Declan Connolly

Development Address: Dundrumman, Scotstown, Co. Monaghan.

Development: Chicken houses, broiler units

To Whom it Concerns,

We wish to submit our support for our clients Gerard & Mary Ann McCleneghan Derryarrit, Scotstown, Co. Monaghan. Eircode H18 DK23 in relation to their submission regarding the above mentioned licence review/application.

You will be aware that we have made submissions on their behalf over the past 2 years or so in relation to noise and emissions affecting the quality of life of themselves and their 2 children at their place of dwelling.

We are particularly keen to see that the enlarged operation be meticulously run and monitored in accordance with licence conditions and having regard to best practice. Whilst we understand that some commercial operations have to exist in rural locations we presume that the EPA as the responsible authority have regard to the sensitivity of local residents, flora and fauna and how in particular the scaling of the business needs to be appropriate for the setting.

Yours sincerely,

Seán O'Connor, M. Appd. Sc., Dip. Public Health, P.G. Dip. Envir. Engr. Fetac Approved Site Assessor
