**'APPLICATION TO THE ENVIRONMENTAL PROTECTION AGENCY  
(EPA) FOR A LICENCE REVIEW'**

**Site Notice**

Notice is hereby given in accordance with the E.P.A. Acts 1992 to 2013, that Ashleigh Farms Ltd, Ashleigh House, Ballinacoola, Cappagh, Waterford intends to apply to the Environmental Protection Agency (E.P.A.) for a licence review for an existing pig farm at Ashleigh House, Ballinacoola Cappagh, Waterford. National Grid Reference (ITM) 618314 594743.

The main activity carried out at the site is classed as:

Activity Class 6.2(b), 'The rearing of pigs in an installation, where the capacity exceeds 2,000 places for production pigs which are each over 30kg'.

An Environment Impact Statement (EIS) relating to this activity, which has previously been submitted to Waterford County-Council, will be submitted to the Agency as part of this Application.

A copy of this application for a licence, including the Environmental Impact Statement and any further information relating to the effects on the environment of the emissions from the activity which may be furnished to the Agency in the course of the Agency's consideration of the application, may be inspected on the Agency's website or inspected at or obtained from the headquarters of the Agency (Tel: Lo Call 1880 33 55 99 or 053 516 0600) as soon as it is practicable after the receipt by the Agency of the application for the licence.

To whom it may concern,

Re - Licence Review for an existing 'pig farm' at 'Ashleigh House, Ballinameela, Lungaruan, Co. Waterford.'

National Grid No. (ITM) 616314594745.

I have spoken to the owners of the above of our distress with smells from their pig farm, all to no avail they totally ignore us.

I am now lodging an objection to the granting of planning for 'piggery' so close to our residence with no consideration for our surrounding families I'm locked into my home with closed windows - have to meet family and friends outside of my home as I'm ashamed of the smell. Please we need some help!

I am enclosing certificate of analysis

of water from our own pump  
source. We've had to install  
a U.V. System for clean water  
and at least six other neighbors  
in the immediate vicinity had  
to do the same.

Yours Faithfully,  
Phil O'Brien
