**E.P.A  
Johnstown Castle Estate,  
Wexford.**

**To: Whom it may concern.**

**We are writing to you in relation to an application for an EPA Licence.**

**The application is in the name of Seamus Noonan, Ballyduhig, Broadford, Co. Limerick, the notice for this appeared in a local paper The Weekly Observer on the 10 February 2021.**

**We want you to look into the matter to see if the licence has been granted if it has that is perfect and all is well. We believed this takes a good while in order for it to go through and the licence granted.**

**It was only last week 23/07/2021 that the notice was placed on the side of the road by the applicant, in fact the applicant has the notice place in the laneway away from the public road, the notice is not even placed in public view and not on his own land.**

**The applicant has his second chicken house started with 3 weeks, if the applicant has the licence granted everything is correct but if not granted we want you to look into the matter and take whatever action against the applicant, everyone should abide by the same rules.**

**I wish you to keep my name anonymous**

**Thanking You**
