To whom it may concern

Submission in regard to licence Reg No P0040-03 – Anglo Beef Processors Ireland Unlimited Company

I would like to express concerns regarding air quality in Ferrybank.

Yesterday evening (18 July 2022), I could not open my windows due to bad odours emanating from the ABP plant. This lasted for more than an hour, and this is only one of many occurrences.

Sometimes the smell is so strong that it is difficult to walk outside in Ferrybank without feeling nauseous, especially on Abbey Road.

The stench fills the air very frequently and randomly, all year round and any time of the day, which makes me think that the plant fails too often and therefore poses a risk to our health and the environment.

Thanks in advance for taking this into account when reviewing the licence above.
