To Whom It May Concern.

This is in relation to a submission I would like to make in relation to the ABP rendering plant in Ferrybank. I would like to object to the stench from the plant and also the stench that comes from the Lorries going through Ferrybank.

I've seen lorries at first hand with just a Tarpaulin covering the top and the Stench going through the village is Rank. These lorries are not a sealed unit and it's a Health and Safety issue.
