Subject: Out of Hours Message

Hi all,

Please see the below message that was left on the out of hours non-urgent mailbox:

Message 1 from [REDACTED] received August 9th at 11:47pm

Hi, my name is Councillor Mary Roche, I'm ringing from Waterford city. I'm just ringing to record that there is a smell all over Waterford City at the moment. I've literally just drove back from Kilkenny city and the smell, I'm presuming it's from ABP plant, it's emanating all over the city. I'm out on the Cork road now which is quite a distance from the plant itself and I just want it recorded that there is a smell and that this should be taken into account when any licenses or applications are being renewed. And it's there right now, thank you.
