Re: Application for EPA licence renewal

Applicant Name: Anglo Beef Processors Ireland Unlimited Company

Register Number: P0040-03

As a Ferrybank resident, I would like to register my concern about the application to possibly increase the intake of tonnage into the above processing plant.

The smell from the plant is already unbearable on days when the wind blows in our direction. The stench of the many trucks that pass through the area (passing 3 local schools & a playground) on their way to the plant is nauseating. There are days, especially in warmer weather, when you have to keep your house or car windows shut to try & keep the smell out.

I would appreciate if you could take our concerns into consideration when making your decision on this matter.

Kind regards

Emma Froggatt
