SUBMISSION BY PETER SWEETMAN AND ON BEHALF OF Wild Ireland
Defense CLG

This is a development for retention of a permission that the High Court gave an order

It is a development which may have an effect on a SAC

As It may have an effect on a SAC it will require at a minimum a screening for Environmental Impact Assessment

The application has been before the EPA for more than a year

THE EPA HAS FAILED TO ADDRESS THE MANDATORY REQUIREMENT OF THE EU DIRECTIVES WITHIN A REASONABLE TIME.
