Applicant Name: Anglo Beef Processors Ireland Unlimited Company

Register Number: P0040-03

To whom it concerns,

I am a resident in Bellfield, Ferrybank. I have been living here 16 years. Unfortunately on many an evening a very bad foul odour is outside my home. It even enters my house when the windows are open.

This odour is coming from the ABP Rendering plant. This air pollution is unacceptable and I worry greatly if the company's capacity should increase by 60%.

The trucks en route to the company leave an odour trail of stench behind them. It's unbelievable that in this day and age this is tolerated.

The air quality in Bellfield, Ferrybank and surrounding areas is badly affected by this plant. It is not acceptable any more.

Yours Sincerely,
Mary Cunningham
