To Whom It May Concern

Applicant Name: Anglo Beef Processors Ireland Unlimited Company
Register Number: P0040-03

I'm a resident of Abbeylands in Ferrybank and I'm writing this letter as I'm worried about worried about the proposed expansion and licence renewal at the rendering plant located on Abbey Road, Ferrybank.

At this current moment the smell in the air makes me feel terribly sick every day. I can't even open a window or a vent at home without my whole house smelling of rotten eggs. The same goes for my washing when I hang it out to dry.

This raises several health concerns for myself personally, not to mention the fact that animal matter can often be seen spilling out of the trucks onto the road, when on their way to the plant.

If this expansion is allowed to happen, I fear that I'll have no choice but to leave my home of 20+ years. I know of many other local residents who also harbour similar feelings.

Many thanks.
