To Whom It May Concern

Applicant Name: Anglo Beef Processors Ireland Unlimited Company
Register Number: P0040-03

Dear Sir (Madam),

I live in the Abbeylands estate since the houses were built and I live with the awful smell as well.

I can't leave a window open or ask friends over as the smell from the factory is so bad.

When I wash clothes and hang them out, I usually have to re-wash them again as the smell is there most of the time and the clothes.

It is a health hazard and is so unhealthy.

If this situation gets any worse, my family and I will have to look for alternative accommodation. I definitely don't want the licence to be renewed and I'm totally against the plant increasing production.

Yours sincerely
