19/7/19 Sent to Envioremental Protection Agency ,Johnstown Castle

Dear sir/Madam

My wife and I have been living in ... in Ferrybank for a year. We are concerned about the offensive odours in this region. Apparently this has been a problem for some years.

On 16/7/2019 this email was sent by my wife and myself to our residents association

Dear ...

Thank you for your response regarding our complaint of offensive odours in the Ferrybank area. We would be grateful for any information on what the councillors are doing about it.

As this we understand has been a problem for many years. Our view is nothing much will happen unless some people living in **the affected** area make a sustained effort to deal with the issues that will arise until the problem is solved.
