# BUMBLE BEES

*Crèche Playgroup & Afterschool*

To whom it may concern,

As the owner of Bumble Bees Creche I am writing about the prospect of retaining and expanding on the production of this plant at APB.

There are times when we cannot bring the children into the playground because of the stench coming from the factory.

We would strongly object to this licence as we have a large facility here with 87 children. The air quality cannot be good for them as the smell is so bad.

Regards

Laura McLoughlin
